

800ForAll.com from CSF Corporation is an e-commerce website dedicated to helping individuals search for and get toll-free numbers, including specific vanity numbers, for their personal or business use. Find your favorite toll-free number at 800ForAll.com faster than anywhere else, and all searches are free.

Our e-commerce site is powered by our market-leading 8MS® Cloud SaaS platform and supports current 800, 888, 877, 866, 855, 844, and future 833 numbers when they become available. Search for any toll-free number, numbers that spell specific words (e.g., 800-FLOWERS), or are non-positional for getting permutations of vanity spellings (e.g., 800-PIZZA\*\*, 800-\*PIZZA\*, 800-\*\*PIZZA). One of the unique features of 800ForAll.com is a “Who Owns This Number” search, which returns the name of the company along with dates indicating when the number record was updated.

When you acquire a toll-free number from 800ForAll.com, you own the number in North America and can transfer it to any phone company you want for ongoing service. We also work with you to make the transfer happen. Your new toll-free number can ring or forward to whatever local number you choose,

including an existing home phone, work number, cell phone, or VoIP line (e.g. Vonage) anywhere in the US
